

BIRTHDAY PARTY

doggy DELIGHT

Never has a pup's party looked like so much fun. Thanks to the baseball theme, open space for playing and patritotic treats for all, this celebration was a blast – four legged or not.

THE EVENT PLANNER SAYS...

"Carter, our fur-baby, is a pretty popular little guy on Instagram, so we wanted to get all his local friends together to celebrate his first birthday!"

ANNIVERSARY PARTY

blush BASH

We're supporters of celebrating any occasion with a dinner party for the ages. Transform your venue with floor to ceiling draping for an intimate atmosphere.

THE HOSTESS SAYS...

"Our blank canvas venue was exactly what we needed to bring in the drape from floor to ceiling and all of the delicate and personal details in between to achieve the look."
